

USB8 4G LTE USB MODEM PLUG AND PLAY, READY TO GO

Failover Protection

In addition to connecting mobile users, the USB8 can provide failover communications for point-of-sale systems, kiosks and other IoT devices. With integrated sGPS technology, it's also ideal for tracking mobile assets.

Easy to Use

The USB8 provides instant 4G LTE connectivity for your laptop or other device, with no software or device drivers to install. Just plug it in and connect. It's that simple. Its tiny and mighty design comes with a swivel hinge to adjust to any USB port orientation.

Fast and Global

The fastest USB modem, with peak download speeds of 480 Mbps. Global connectivity covering LTE, HSPA+ and UMTS bands in over 200 countries.

Ready for Any Workday

USB8 is ready and able to accommodate the demands of every workday. Perfect for businesses and public sectors limiting connection to cellular data only. Certified to support first responders protecting and serving our communities.

Safe and Secure

Connect with confidence knowing your data is secure. USB8 features the latest cellular security protocols supporting corporate VPNs and remote management.

USB8 PRODUCT SPECIFICATIONS

Technology

- 4G LTE CAT 18, 480 Mbps LTE Max Throughput
B1/B2/B3/B4/B5/B7/B12/B13/B14/B17/B18/
B20/B28/B29/B30/B66
- HSPA+/UMTS
B1/B2/B4/B5/B8
- Carrier Aggregation
5 CC Download CA
- 2x2 MIMO

Chipset

- Qualcomm SDX20

GPS

- sGPS Capable

Connector

- USB 2.0 Type A with Swivel Hinge
- External Antenna Port

Dimensions

- 91.1 x 37 x 11.4 mm

Weight

- 2.4 oz (68 g)

Environmental

- Operating Temperature: -10°C to 55°C

LED Indicator

- Multi-color LED

SIM

- 4FF

Operating System

- Linux® Ubuntu 12.4 or Higher
- Microsoft® Windows® 7 or Higher
- Mac OS 10.5 or Higher

Security

- Security Hardened Web Interface
- Admin Password Hash
- Incorrect Password Lockout
- Parameter Tampering

Enterprise Features

- VPN Support
- Remote Configuration Support
- IT Administrator Settings Lockdown

Standards /Approvals /Certifications

- FCC / ISEDC / PTCR / GCF / ACMA-RCM
