Partner Rewards

Terms and Conditions

This promotion is valid for Dicker Data partners in Australia and New Zealand from 3 March 2025 to 28 June 2025 unless gift cards are sold out prior. Gift cards are limited to a total of 150 x \$200 vouchers across Australia and New Zealand. To be eligible for bonus gift card:

- Partners in Australia must register new opportunities with TechClick and engage TechClick to complete an end user Fabric Proof of Concept (POC) by 28 June 2025. The partner will receive a AUD \$200 Mastercard gift card for every new Fabric POC registered between 3 March – 28 June 2025 and completed by TechClick before end of promotion period. The partner with the highest number of new Fabric POCs registered and completed by TechClick in Australia during the promotion period will also receive an additional AUD \$1,000 Mastercard gift card.
- Partners in New Zealand must register new opportunities with TechClick and engage TechClick to complete either an end user Azure Assessment or an end user Fabric Proof of Concept (POC) by 28 June 2025. The partner will receive a NZ \$200 Prezzy gift card for every new Azure Assessment or Fabric POC registered between 3 March – 28 June 2025 and completed by TechClick before end of promotion period. The partner with the highest combined number of new Azure Assessments and Fabric POCs registered and completed by TechClick in New Zealand during the promotion period will also receive an additional NZ \$1,000 Prezzy gift card.

Gift cards will be sent to the partner's business address within 30 business days of Azure Assessment (NZ only) or Fabric POC completion. Not available in conjunction with any other existing Dicker Data or Microsoft offers or promotions. Dicker Data reserves the right to modify the reward based on gift card availability. Fringe Benefit Tax is the responsibility of the recipient.
